INTRODUCTION

BlueVyne Limited is a design, printing and branding company located in North Legon, Accra.

Our interest is to help promote the operations of your institution to your target market in the most effect way. We do this by offering you professional corporate identity design, branding and print services.

OUR PRODUCTS & SERVICES

Creative Design

Our people-centered design approaches makes your customers feel part of you. We deliver your message through unique creative concepts that incite prospective customers to select you over your competitors.

Branding

We help inform your current and prospective customers about your brand's availability and integrity by maintaining a consistent custom design concept across all mediums of communication, marketing and promotion.

Printing

Our print services meet your diversified print needs without compromising on quality and delivery timelines.

They include:

Digital Printing: For reliable and top quality print-on-demand. Also for smooth and quick delivery of your work to comfortably meet deadlines.

Offset Printing: We have equipment that undertake mass printing suitable for your campaigns and promotions at competitive prices.

Large Format Printing: We print on flexi, SAV, PVC, one way vision, clear sticker, photo paper, canvas, reflective sticker, magnetic sticker and heat transfer paper (for billboards, banners, roll-up banners, posters and labels that can be cut into any shape as well.)

We hope to do excellent business with you and help increase your sales value through our professional creative services.
